Whether traveling for business or pleasure, you have worldwide emergency travel assistance in your suitcase.

No one expects to become ill or injured or need legal assistance when traveling, but unexpected emergencies do occur. Whether you’re traveling for business or personal reasons, our worldwide emergency travel assistance program goes with you when you travel to a foreign country or just 100 or more miles from home. Help is just a phone call away — day or night — if you, your spouse or your dependent children need immediate assistance anywhere in the world.

Services are available for simple to extreme travel emergencies:
• hospital admission coordination
• emergency medical evacuation
• critical care monitoring
• medical repatriation
• emergency message service
• transportation for a friend or family member to join the hospitalized patient
• care of minor children
• emergency trauma counseling
• prescription assistance
• assistance in the return of a vehicle
• legal and interpreter referrals

At any hour of the day, one simple phone call will connect you to:
• multi-lingual, medically certified crisis management professionals
• a state-of-the-art global response operations center
• qualified medical providers around the world
The Unum worldwide emergency travel assistance program is provided by Assist America Inc., with no geographical or pre-existing condition exclusions, and no exclusions on scholastic, professional or adventure sports. Assist America arranges and pays for 100% of the services the company provides without any caps or charge-backs either to the employer or the employee. *

Call the number on your emergency travel assistance wallet card if you have a travel emergency. If you have misplaced your wallet card, contact your human resources department and ask for a replacement.

Learn more about your worldwide emergency travel assistance program at unum.com/travelassistance.

---

*All services must be arranged and paid for by Assist America, and no claims for reimbursement are accepted. Medical expenses such as care and treatment in a hospital are paid for by you or your health insurance policy (if care received is covered in your policy).
