frequently asked questions

Q: Will my medical bills be paid for me?

A: No. You or your health insurance provider are responsible for incurred medical expenses.

Q: What happens if a hospital does not recognize my health insurance identification card?

A: You are guaranteed hospital admission. If necessary, your medical insurance will be validated or advanced funds provided to ensure treatment begins promptly.

Q: What happens when I am ready to be discharged from the hospital?

A: Any medical assistance needed at that time will be arranged and funded in order to transport you home — with a medical or non-medical escort if needed.

Q: I don't travel internationally. Can I still benefit from this program?

A: If you travel more than 100 miles from home — even within the United States — you can receive needed emergency assistance.

Q: Are my spouse and children covered?

A: Your spouse and children may be covered, depending on the plan selected by your employer. See your plan administrator for more information.

Q: How do I get help?

A: Your plan administrator has provided you with a convenient wallet card, either attached to the insert of this brochure or provided under separate cover. Keep this card with you as a reference for instructions and phone numbers when needed. Or, go to www.unumprovident.com/travelassistance for more information.
